2017 Guangzhou International Investment & Finance Expo

Guangzhou Investment & Financing Expo will be an exposition event focusing on exhibiting investment and financing projects in Spring, 2017. This is a platform for investment and financial institutions to display the corporate image, expand the brand, promote financial products and expand market share. The all-round event will further meet the needs of investors in general demand for professional investment and financing, and will be the bridge and link of comprehensive communications and deep co-operation between financial institutions and investors. With the cooperation and support of multiple media, the exhibition spot will be instinct with surging crowds, strong investment atmosphere and set off an upsurge of investment.

You are sincerely invited to attend the event held in Guangzhou to enjoy the endless business opportunities brought about by the Investment & Financing Expo.

◇ Advantages of the Exposition

1. The show time and venue are the best, and the colorful and exciting show activities will present you with a huge financial investment feast.

2. Comprehensive and three-dimensional multimedia propaganda is adopted to reflect the most shocking manifestation effect of the publicity, especially the strong-strong combination between Internet and traditional mainstream media guarantees the strong support of traditional media and the incitement of brand-new media.

3. Standard and professional operation. The organizer has rich exhibition experience, advanced professional exhibition-inviting and investment-inviting approaches and brand-new service concepts which will provide exhibitors and investors with the best quality services.

Positioning of the exhibition: To hold a professional investment and financing feast with the largest scale and the most far-reaching influence in China and even in the world.
